

Hurst Green Infant School and Nursery Pupil premium funding report

Academic year 2019 - 2020

Hurst Green Infant School and Nursery Pupil premium funding report

Academic year 2019 - 2020

Background

In 2011-12 the government introduced Pupil Premium funding. Pupil Premium funding is allocated in the school's budget and the amount depends on the number of families who are currently known to be eligible for Free School Meals or have been at any point within the last 6 years. The Pupil premium provides schools in England with additional funding to help them raise the attainment of disadvantaged children and close the gap with their peers, so they may reach their potential.

The allocation for 2019-2020 (financial year) is £1320. This group of pupils is recorded as EVER6FSM.

In April 2014 the Pupil Premium was also extended to children adopted from care on or after 30th December 2005 and was then extended to all children adopted from care in summer 2014 (defined in the Children Act 1989). The government extended the premium in recognition of trauma and loss many adopted children have experienced in their early lives. This means that children who were looked after for one day or more and including children who have been adopted from care or leave care under a special guardianship or residence order (referred to as Pupil Premium Plus) are eligible for the allocation. The rate for the financial year 2019-2020 is £2300 per child.

A premium was also introduced for those children whose parents are currently serving in the armed forces (EVER6 service child), or have been within the last 3 years. This has been extended to children who were eligible previously but whose parents are no longer in the armed forces or are divorced. The rate for the financial year 2019-2020 for these pupils is £300.

The pupil premium for 2019 to 2020 will include pupils recorded in the January 2019 school census. Schools are free to spend the pupil premium as they see fit. However they are held accountable for how funding is used to support pupils and schools are required to publish this information on line.

Hurst Green Infant School and Nursery Pupil premium funding report

Academic year 2019 - 2020

Academic year 2019 - 2020

<p>Projected cost: £2,000</p>	<p>To monitor the effectiveness and impact of interventions. Ensure that PP children have good attitudes towards learning. Half termly progress meetings</p>	
<p>ELSA support and staff CPD training as identified throughout the year This includes supervision meetings for the ELSA Daily sessions to support the children Projected cost: £12,750</p>	<p>Elsa's work with children at the primary age. It is aimed at children who are struggling to cope. This is because it supports looking at behaviour as a form of communication of underlying needs thus address the cause rather than the symptoms. Staff may work with children experiencing emerging mental health needs and issues with emotional wellbeing or those with difficulties understanding and managing emotions. The intervention cover such areas as social skills, emotions, bereavement, social stories anger management and self-esteem. The intended outcomes include identifying children with mental health needs re framing and understanding behaviours in terms of their vulnerabilities and providing children with coping strategies to manage their current situation and promote resilience.</p>
