Autumn Term no 61

16th October 2020

With only 1 week left of this term, I wanted to say "Congratulations" to all the children for settling into school so well. Our new Reception class have made such a strong start and we have all loved getting to know each and every one of them.

The teachers are all looking forward to talking to parents next week for the Parent Consultations. This is a great opportunity for parents to find out how their child is doing at school.

A HUGE thanks for your kind and generous donations for our Harvest collection. Some of our new Reception children helped box the tins up which was a great help! These were donated to East Grinstead Food Bank, where they were greatly received.

Don't forget we have an INSET day on Monday 2nd November, so the children's first day back will be on Tuesday 3rd November.

This may be family issues, financial issues or just someone to talk to for more general questions about school. We have access to food vouchers, toiletries and can signpost to specialist support if needed. Please feel free to contact me:

Save our Trees!

It has been brought to our attention from several parents, that children are damaging the newly planted trees on the grass verges whilst waiting to come into school in the morning.

These trees were kindly donated to the school and so it would be a real shame if they were not looked after.

Thank you in advance for your cooperation.

The NSPCC have teamed up with O2 to create a guide for parents about online games and apps.

Netaware allows you to search apps and games information so you can see and learn about the online content your children are playing. You enter the name of the app or game and it provides a summary and safety guide.

Dear Parents/Carers,

We, the Friends of Limpsfield Common, would like to ask for a few moments of your time to fill in a survey telling us about your experiences of Limpsfield Common and how you feel we can improve your future experience of the common. Your views are especially important to us as we look to the future and the next generation's continued enjoyment of the common.

Please follow the link below to carry out the survey:
