

Hurst Green Happenings

Summer Term no 75

16th July 2021

The end of term is fast approaching and today, we celebrated with our Leavers Assembly outside, socially distanced. Year 2 were fabulous and there were lots of tears all round. We wish them all the best as they move up to Junior School.

Our sports day was a great success—thank you for all your support in adhering to guidelines. There is a gallery of photos on our website.

Just a reminder that next Wednesday, we finish at the earlier time of **1:30pm** (Holland will be at 1.15pm).

A big thank you to our HGSA who have managed to continue raising money for our school under such difficult circumstances.

We are finalising arrangements for September and a letter will be coming out to you next week.

All that is left for me to say is have a lovely Summer Holiday—stay safe and we look forward to welcoming back the children next term.

Sarah George

SUPERHERO LUNCH

Thank you to Mrs Clements for the lovely Superhero lunch she arranged for our leavers. They had a great time and even came away with some treats!

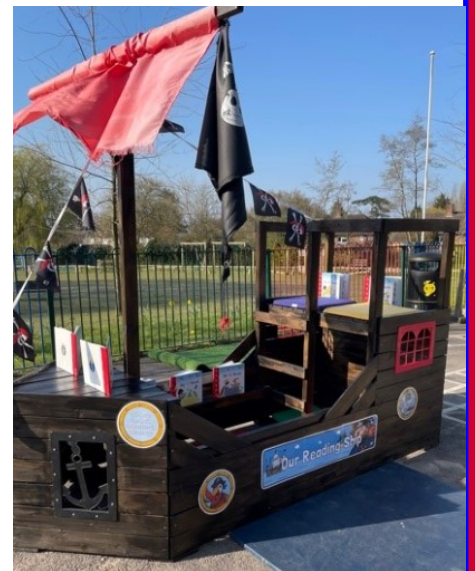

HGSA News

Thank you for supporting our FUDGE shop on 18th June. We raised £162.20. We hope family and friends enjoyed their gifts.

As the school year draws to a close, we wanted to thank everyone for their support this year in challenging circumstances. Through your efforts we have donated £960 this school year, contributing to the new class room book corners, new headphones to use with student's Chromebooks and the Life Bus visit in the autumn term. We think you'll agree from the photos that the reading corners look amazing and will have such a positive impact on our children's learning.

Wishing you all a lovely summer, HGSA.

JUMPING JACKS

Childcare Re-imagined

Summer Club!

3rd - 6th Aug 9am-3pm

10th - 13th Aug 9am-3pm

OFSTED REGISTERED, DBS CHECKED, FIRST AID AND SAFE GUARDING TRAINED

Oxted Health Centre Patient Update from Monday 19th July 2021

Dear Patient

Currently there will be no changes at the Practice in relation to restrictions and patients coming into the surgery will still need to wear a mask, maintain social distance and use the hand sanitiser provided.

Our Staff will continue to wear appropriate PPE.

We have made this decision as generally patients attending the practice are sick, vulnerable and some may be unvaccinated due to medical reasons.

We feel these precautions will help to protect everyone and also minimise the number of our staff catching Covid, which in turn would affect our ability to maintain our health services if we have a reduced workforce both clinically and administratively.

We will continue to offer remote and face to face consultations dependent on the clinical need. Please note that the practice may ask for a PCR test result to be available in symptomatic patients before they can be seen in the surgery. A lateral flow test is not accurate enough in patients who present with symptoms consistent with a COVID-19 infection .

Please note that whilst we are maintaining our core health services for our patients, we are also continuing with the Covid Imms clinics locally within the community and hope that we can continue to do so with the annual Flu and Booster clinics which will be needed shortly.

We hope that our patients understand why we need to continue with these precautionary measures within the surgery, to ensure we keep a safe environment for everyone.

Thank you for your continued support and understanding.

Outdoor Stammering Therapy

www.thatsspeechlady.co.uk/stammering

Do you know a child or young person who stammers?
Do they enjoy having fun? Learning something new? Being in the great outdoors?

If you've answered YES, this group could be perfect for them!

Alongside specialist stammering therapy, they will be participating in outdoor group activities such as archery, shelter building, climbing, fire making and more!
