

Hurst Green Happenings

8 July 2022

What a busy few weeks we have had! The days have been filled with lots of learning along with singing assemblies, practice for our end of year school sing-a-long and of course the year 2 leavers' assembly! Sports' day was fantastic this year, I'm sure you will all agree that the children do so well and the practice and healthy competition paid off! Well done to all the children and staff for their excellent efforts.

The school Governors have been taking the time to visit school and see what progress we are making in classrooms and our outdoor spaces.

Lockdown/covid prevented on-site visits but you will be seeing much more of our governors at school events now that things seem to be returning to normal.

On a recent visit, the governors looked at our revamped reception classroom and, this week, had a tour of our forest school on what turned out to be a glorious sunny evening. For more information on the current governors please have a look at the school website. If you are interested in joining the governing body or the parent teacher association please contact the school office.

Wishing you a sunny weekend.

Sarah George

Friendly reminders...

Sun protection

Please don't forget to apply sun cream to your child before coming to school. Also please send them in with a named sun hat and plenty of water. We can re-fill your child's water bottle throughout the day.

Scooters/Bikes

Please could we ask that there are no scooters or bikes used in the playground before or after school. This is to avoid injuries and collisions.

Leavers' Assembly

We will be wishing a fond and emotional farewell to our Year 2 children on Wednesday 20th July in our special Leavers' Assembly. Parents / carers are welcome to come along (maximum 2 per child). The assembly will start at 9.20 and will last for about half an hour. We hope to see you there!

HGSA News...

Reading Challenge

The children worked really hard over half term on their sponsored reading challenge and raised an incredible £837.80 which will go towards our new school library. Certificates were given out in assembly this week (see photos below). Well done to those who took part.

Father's Day Shop

The recent FUDGE shop for father's day raised £137 which will also go towards school reading funds.

Summer Disco

Our last activity this term will be the Summer Disco after school on Thursday 14 July, from 4.15-5.30pm. We will be looking for parents to help out at the event. If you'd like to get involved, please add your name to the sign-up sheet outside the school or email the school office.

Year 2 Transition Day Champions

Some Year 2 children recently completed some group work reflecting on their time at Hurst Green School and thinking about moving to their new schools. They worked really hard and we are so proud of them.

Free book for children to mark the Queen's Platinum Jubilee

We are pleased to let you know that every child in Reception, Year 1 and Year 2 should have brought home this week a free commemorative book to mark the Queen's Platinum Jubilee.

Designed as an official once-in-a-lifetime commemoration of the Platinum Jubilee and written in collaboration with royal experts and historians, the book will tell the story of a young girl, Isabella, visiting her Great Granny Joyce who tells her about the Queen and this year's Jubilee. We hope you and your family enjoy reading this lovely book.

Transition Day 2022

We are super proud of all the children who took part in last week's Transition Day. Our Year 2 class spent the afternoon at their new schools, while our Year 1 class spent time getting to know their new class teachers and Year R got a taste of what Year 1 life will be like. We also enjoyed meeting our new reception starters who we are looking forward to getting to know more this September.

Parent Carer Survey – Surrey County Council

Surrey County Council is conducting a survey to inform the Additional Needs and Disabilities Partnership Self Evaluation. They are looking for feedback from **parents and carers** via the Parents' Voices Matters Survey:

<https://www.surreysays.co.uk/csf/parentsvoices>

The survey runs until the 31st July.

For queries relating to Parents' Voices Matter, please email:

Reading Challenge winners

A huge well done and thank you to all the children who took part in the sponsored Reading Challenge over the May half term. We were very impressed with the amount of books read and over £800 was raised. This money will go towards our new library which we hope will be ready for the children to enjoy when they return to school in September.

Governors' Visit

Our Governors very much enjoyed their look around the classrooms and visit to the Forest School area.
