

# Hurst Green Happenings

17 June 2022

It has been a wonderful first couple of weeks back and the sun has even made an appearance! Year 1 had a woodland experience day last week and thoroughly enjoyed their time in our fantastic outside space. Nursery have also been learning in the great outdoors and started their Forest School sessions last week. This term is always busy, so please make sure you check the diary dates at the bottom of this newsletter to make sure you don't miss out.

Next week the children will be busy practising for sports day – a separate letter outlining the details has been sent out already.

As the weather is getting warmer, please remember to put sun cream on your children before coming to school and also send them in with a hat for playtimes. A reminder that a named water bottle should be in school and nursery every day and filled with water only. We are able to refill these throughout the day.

Hoping the sun stays shining for you all this weekend.

Sarah George

## After school clubs – your suggestions please

As a school, we try to offer children a variety of clubs to attend after school. We'd love to hear your thoughts and suggestions on what clubs and activities you and your child would like to see on offer so that we can make them as relevant and appealing as possible. If you have an idea for an after school club, please email [office@hurstgreenschool.org](mailto:office@hurstgreenschool.org). We can't guarantee we'll be able to fulfil all requests, but it would be great to get some new ideas and see what would be popular.

## Forest School Pond Dipping

The children will be donning their wellies and grabbing their nets for a fun pond dipping experience at Holland School in a few weeks. This will be a wonderful opportunity for the children to get their hands dirty and find out all about the incredible and varied wildlife living in our ponds.

Please remember to pick up from Holland School at 3pm on your child's allocated day:

Thursday 30<sup>th</sup> June PM - Year 1  
Thursday 7<sup>th</sup> July PM - Reception  
Thursday 14<sup>th</sup> July PM - Year 2

## Titsey Rotary Club – thank you!

We want to say a huge thank you to the brilliant Titsey Rotary Club who kindly helped fund the special edition Platinum Jubilee coins your child recently brought home. Here are some photos of the children looking very happy with their new souvenirs!

## Enchanted Woodland Experience Day

Here are some photos for you to enjoy of our Year 1 class having fun at their Enchanted Woodland Experience Day last week. They had a jam-packed day, making fairy and elf houses out of milk bottles, sprinkling magic dust, modelling elves and fairies out of clay, creating fairy wings and cutting out clothes from leaves for the elves and fairies to wear, stopping mid-morning for a woodland picnic.

# Stations of the Resurrection

## Community Art

ALIVE

ASSURANCE

GO!

Three of the sixteen 'Stations of the Resurrection' all created by local schools, churches, care homes and other community groups. All sixteen inspiring artworks can be visited any daytime at St John's, Hurst Green, until the 19th of June.

Come and experience this unusual journey which tells the story of Jesus' resurrection and time walking the earth after his death and all the people he met.

You will be moved and inspired not only by the creativity of local adults and children but by how the story of Jesus connects with us today.
