

Hurst Green Happenings

Spring Term NO 86

22nd April 2022

What a great start to the summer term and a very welcome appearance of the sun! The children have been learning outdoors lots this week and have enjoyed planting in Forest school, PE sessions outside and of course playtimes on the field. We have lots planned for this term so make sure you check the dates section in the newsletter and check the website regularly.

Sadly, we will be saying 'Goodbye' to Mrs Dennehy in the office at the end of next week. Mrs Dennehy has been at Hurst Green for 8 Years and will be missed by us all immensely. She has been a valued member of our team and I am sure you will all join with me in wishing her all the best in her future adventures.

Mrs Bruce and Mrs Hall will be joining our Hurst Green staff team to run the office and we look forward to welcoming them to the team.

Finally, we are looking for new members to join and hopefully take over the running of the HGSA. The HGSA is a vital part of the school and one that we really don't want to be without as they provide so many wonderful opportunities for the children. Please do get in touch if you are interested in becoming part of this wonderful organisation.

Wishing you all a wonderful weekend.

Sarah George

HGSA

The current HGSA committee is made up of Year 2 parents and as the end of the Academic year is in sight, it is important that we get some new volunteers involved to take over. If there is no parent input then the HGSA would have to fold.

If you are interested in helping organise events please email Liza Moran through the School Office.

The HGSA is integral to the fundraising for this school. Without them, there will be no fun events for your children to take part in and the curriculum

Drop off and Pick up

Please could we ask you not to leave your car engines idling in our car park. As you probably know, it is now illegal to leave your car idling on a public road. An idling engine can produce twice the emissions of moving car, including sulphur dioxide, particulate matter and nitrogen oxide. These

chemicals all have a negative impact on the environment and contribute to asthma, heart disease and lung cancer. It is believed that an idling car produces enough emissions to fill 150 balloons with harmful pollutants every minute, so every minute idling counts.

"500 PEG PEOPLE" - Community Art Workshop

Sunday 24th April @ St John's, Church Way, Hurst Green

Help us make a crowd of mini peg people to display in the 'Stations of the Resurrection' exhibition in church. A drop in Creative Community workshop, for adults and for children with accompanying adults, everyone welcome!

There will be 2 sessions,

- From 11am after the Sunday service (which starts at 9.45am)
- Between 2pm -4pm both in the York Rooms at St John's. Stay for the whole session or drop by for a short time. No experience needed. We'll show you how and provide materials.

Please bring: a straight sided jam jar if possible to peg your mini person on - (eat the contents first!)

At Matchpoint Tennis Club and Coaching Academy we offer a wide variety of junior & adult tennis programmes, including school term-time coaching, holiday tennis camps, one-to-one coaching, tennis competitions and much more.

matchpoint
TENNIS

SCHOOL TERM Tennis Coaching

Venue: HURST GREEN INFANT SCHOOL
Day/Time: Mondays 3.15 - 4.15
Dates: Mon 25th April - Mon 4th July
